**STUDENT CONNECT
NOTICE OF ASSISTANCE GRANT AWARD**

OSO INTERNET SOLUTIONS – QUEMADO INDEPENENT SCHOOL DISTRICT

December 6, 2024

Findings and Conclusions:

1. The New Mexico legislature appropriated \$25,000,000 from the general fund to the Connect New Mexico Fund to the Office of Broadband Access and Expansion (OBAE) to establish and implement a grant program for broadband infrastructure public school projects, as set forth in the 2021 General Appropriation Act at Section 17(B)(1) of Chapter 140 of Laws 2021.
2. The expenditure deadline for the funding source is June 30, 2025.
3. The delay inherent in a merit-based program would delay meaningful mitigation of the existing threat to the educational development of students in New Mexico.
4. In accordance with the appropriation, and the Assistance Grant rules found at NMAC §1.12.21.10, OBAE established the Student Connect Grant Program.
5. Through Student Connect grants, OBAE may award financial assistance grants for projects that will connect unserved and underserved public school students within rural communities.
6. On October 31, 2024, Oso Internet Solutions submitted an application to connect 50 unserved and underserved student households within Quemado Independent School District, by June 30, 2025. Connected student households will receive broadband connectivity at no cost for three (3) calendar years.
7. The Application was submitted with the support of Quemado Independent School District.
8. OBAE determined that Oso Internet Solutions is the only entity who can satisfy the program requirements in a timely, correct, and cost-effective manner.

Disclaimer:

1. This notice of award is issued by the Office of Broadband Access and Expansion. The award shall be provided through a binding legal grant agreement, to be executed between the State of New Mexico and the grant awardee (hereinafter referred to as "Awardee") identified in this notification. This notice of award does not constitute a grant agreement, does not constitute a guarantee or commitment by the State of New Mexico to enter into such an agreement, and shall be non-binding on the State of New Mexico.
2. The award will be governed by New Mexico state statutes, including the State of New Mexico Procurement Code. Awardee will be required to comply with all State of New Mexico statutes, regulations, and the terms and conditions of the grant agreement. Any additional requirements imposed on the Awardee will be outlined in the grant agreement, including any required financial and performance reporting.
3. OBAE will monitor Awardee to ensure the award is used for authorized purposes, in compliance with State of New Mexico statutes, regulations, and the terms and conditions of the award included in the Agreement, to ensure that the award performance goals are achieved.
