 2. Each Request for Reimbursement must contain proof of payment by Grantee or liabilities incurred by Grantee showing that the expenditures are valid or are liabilities incurred by Grantee in the form of actual invoices received by Grantee for Third-Party Obligations; provided, however, that the Grantee may be

reimbursed for unpaid liabilities only if the Office of Broadband, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Office of Broadband.

3. Grantee may submit a Request for Reimbursement to the Office of Broadband based upon invoices received, but not yet paid, by Grantee for a Third-Party Obligation, which the Office of Broadband may process, at their discretion, if the invoices comply with the provisions of this Agreement and are a valid liability of Grantee, Grantee shall make payment in-full on those Third-Party Obligations within five (5) Business Days from the date of receiving reimbursement from the Office of Broadband or such shorter period of time as the Office of Broadband may prescribe in writing.  6. Grantee's failure to abide by the requirements herein will result in the denial of its Request for Reimbursement or will delay the processing of its Request for Reimbursement. The Office of Broadband has the right to reject a reimbursement request for the Project unless and until it is satisfied that the expenditures in the Request for Reimbursement are for permissible purposes within the meaning of this Agreement. Further, the Office of Broadband's right to reject any Request for Reimbursement is in addition to, and not in lieu of, any other legal or equitable remedy available to the Office of Broadband due to Grantee's violation of this Agreement.
- C. Retainage of Grant Funds. The Office of Broadband will retain 10% of the Grant Amount sought by Grantee as security for Grantee's full performance of this Agreement. Retainage shall be applied to the final 10% of the allowable project expenditures. Department will release all retained amounts to Grantee upon a final site inspection by the Office of Broadband to confirm Substantial Completion of the Project and Grantee's successful Project close-out, including timely delivery of the Close-Out Report required under Article 10(B) of this Agreement, demonstrating Grantee stands in full compliance with all programmatic and regulatory obligations set forth in this Agreement. Grantee may submit a written request to the Office of Broadband to release retained funds prior to the final inspection, which shall only be granted at the Office of Broadband's discretion.
