

Applications Open For Digital Equity Competitive Grant Funding

The National Telecommunications and Information Administration has released the Notice of Funding Opportunity (NOFO) for funds for the Digital Equity Competitive Grant Program. That means applicants may seek federal funding through this digital equity program.

Applications are due September 23, 2024.

To apply [CLICK HERE](#).

Aside from the Competitive Grant, NTIA has two other Digital Equity funding programs: the State Digital Equity Planning Grant and the State Digital Equity Capacity Grant. *Tribal communities can still apply for the Capacity Grant.*
