Bringing Connectivity to Your Community

**NEW MEXICO BROADBAND SUMMIT
COMING OCTOBER 29**

Local, State and Federal Agencies Convene in a Major Broadband Conference to Network, Share Ideas, Discuss Strategies and Promote Programs to Expand and Deploy Broadband Across the State

The 2nd annual *New Mexico Broadband Summit* will be held on October 29 at the Isleta Resort and Casino. The day-long event will include internet service providers, local, state and federal officials, state and federal lawmakers, broadband industry experts, business leaders, Tribal representatives, industry vendors, community decision-makers and others. The Summit will feature special panels and presentations, and experts will address New Mexico's broadband progress, successes, challenges and strategies, as the state continues its work to award hundreds of millions of dollars to help build broadband infrastructure.

The Acting Director and key members from the NM Office of Broadband Access and Expansion (OBAE) will participate in the Summit, discussing various state and federal programs and how the office is moving forward in awarding grants to help build infrastructure and deploy broadband in the state.

The conference will also address state and federal funding, various grant programs and the application process. The event is an opportunity for groups and individuals to do some solid networking as all work toward expanding broadband throughout New Mexico.

The Summit serves as a powerful connection of ecosystems in the world of broadband and telecommunications.
