### Jennifer Nevarez, Member of OBAE's Broadband & Digital Equity Support Team, to Address the 2024 NM Broadband Summit

Digital Equity Advocate Jennifer Nevarez

Jennifer Nevarez, a member of OBAE's Broadband and Digital Equity Support Team for New Mexico, will be among the many broadband dignitaries and experts who will address attendees at the 2nd annual New Mexico Broadband Summit.

The Summit will be held on **Tuesday, October 29** at the Isleta Resort and Casino.

Nevarez will provide updates on digital equity efforts in New Mexico. The New Mexico legislature defined digital equity as "a state where everyone has access to the internet, can afford it, and has the ability to use digital technology to achieve their goals, so that everyone has an equal opportunity to benefit from the internet's educational, economic, employment, and health opportunities."

Nevarez will also lead a panel of digital equity leaders to share information on the new statewide computer donation initiative. The panel includes Susan Krautbauer, Senior Director of Advancement for Digitunity and Jill Beets, VP of Marketing and Communications for Adelante DiverseIT.

Come to the Summit to learn more about digital equity in New Mexico and how individuals and organizations can help by donating computers and other hardware.

Information on digital equity and the computer donation campaign will also be available at tables too!

Come to the Summit to learn about what's happening in the world of broadband here.

**You'll have an opportunity to speak to Nevarez and members of the OBAE team!**

**The OBAE team will have a special table at the Summit.**

Don't forget to register.

This is a **must-attend** event for every stakeholder involved in broadband in New Mexico!

The deadline to sign up for the big event is **TOMORROW**.

The day-long event will include internet service providers, local, state and federal officials, state and federal lawmakers, broadband industry experts, business leaders, Tribal representatives, industry vendors, community decision-makers and others. The Summit will feature special panels and presentations, and experts will address New Mexico's broadband progress, successes, challenges and strategies, as the state continues its work to award hundreds of millions of dollars to help build broadband infrastructure.

The conference will also address state and federal funding, various grant programs and the application process. The event is an opportunity for groups and individuals to do some solid networking as all work toward expanding broadband throughout New Mexico.
