OBAE Acting Director Drew Lovelace to Speak at the 2nd Annual NM Broadband Summit

OBAE Acting Director Drew Lovelace

OBAE Acting Director Drew Lovelace will be among the many broadband dignitaries and experts who will address attendees at the 2nd annual New Mexico Broadband Summit.

The Summit will be held on **October 29** at the Isleta Resort and Casino.

Lovelace will provide updates on the many state and federal programs impacting New Mexico. He will talk about ongoing and future broadband projects, funding opportunities and the need to deploy broadband across New Mexico, particularly in rural, hard-to-reach and Tribal communities.

Lovelace will also serve as a moderator for a panel on New Mexico broadband. That panel will include government leaders and internet service providers. Lovelace will also oversee a panel focusing on Emergency Broadband Operations and discussing the response to the recent Ruidoso Fires and flooding.

Come to the Summit to learn about what's happening in the world of broadband here.

You'll have an opportunity to speak to Lovelace and members of the OBAE team!

The OBAE team will have a special table at the Summit.

Don't forget to register.

This is a **must-attend** event for every stakeholder involved in broadband in New Mexico!

The deadline to sign up for the big event is **Friday, October 25**.

The day-long event will include internet service providers, local, state and federal officials, state and federal lawmakers, broadband industry experts, business leaders, Tribal representatives, industry vendors, community decision-makers and others. The Summit will feature special panels and presentations, and experts will address New Mexico's broadband progress, successes, challenges and strategies, as the state continues its work to award hundreds of millions of dollars to help build broadband infrastructure.

The conference will also address state and federal funding, various grant programs and the application process. The event is an opportunity for groups and individuals to do some solid networking as all work toward expanding broadband throughout New Mexico.
