The 2nd annual New Mexico Broadband Summit will be held **Tuesday, October 29** at the Isleta Resort and Casino. The day-long event will include internet service providers, local, state and federal officials, state and federal lawmakers, broadband industry experts, business leaders, Tribal representatives, industry vendors, community decision-makers and others. The Summit will feature special panels and presentations, and experts will address New Mexico's broadband progress, successes, challenges and strategies, as the state continues its work to award hundreds of millions of dollars to help build broadband infrastructure.

The conference will also address state and federal funding, various grant programs and the application process. The event is an opportunity for groups and individuals to do some solid networking as all work toward expanding broadband throughout New Mexico.

The event is sponsored by the Chamber of Commerce and presented by Vida Mejor Capital.
