HELP US IMPROVE THE NATIONAL BROADBAND MAP!

The FCC has a new map showing where high-speed service is—and is not—available across the country. The map shows where internet service providers report service and depends on input from consumers, like you.

Each successful challenge will bring thousands of dollars for better internet service to New Mexico.

HOW CAN YOU HELP IMPROVE THE MAP?

Visit BroadbandMap.FCC.gov and search for your address. If you see incorrect information, you should:

AVAILABILITY CHALLENGE

Click the Availability Challenge link on the right side of the map and submit the form.

LOCATION CHALLENGE

Click the Location Challenge link on the right side of the address on the map.

MOBILE CHALLENGE

Take speed tests on your mobile phone with the FCC Speed Test App.
