Registration Open to Attend 2nd Annual ABQNOG

The New Mexico Office of Broadband Access and Expansion and the Statewide Education Network encourage Internet Service Providers and others to attend the 2nd annual ABQNOG conference.

It will take place on **Thursday, August 15 at the APS Rankin Training Complex, 720 Rankin Rd. NE, Albuquerque, NM 87107.**

The technical meeting will include networking experts and industry leaders from the Southwest region who will address new technologies, broadband updates and share information vital in the advancement of this important industry.

ABQNOG is an excellent learning experience and a collaborative opportunity in the broadband world. Networking professionals will be running the conference, and it's a great way to interact with others in this growing field.
